ABOUT NEXTGEO

Next Geosolutions (NextGeo) is a leading international company in the field of marine geosciences and support for the construction of offshore infrastructures in the energy sector, with a particular focus on renewable energy. Founded at the end of 2014 and part of the Marnavi Group - Italy's largest shipowner operating globally in the offshore sector - NextGeo offers high-quality consulting and engineering design support services and turnkey solutions, thanks to significant established know-how in the offshore sector. With an extensive fleet of state-of-the-art DP 2 class vessels, belonging to and/or owned by the Group, and a multi-ethnic team of more than 300 qualified and experienced professionals, NextGeo provides a wide range of services from specialised consulting in the field of marine geophysics and geotechnics, environmental and archaeological surveys to the identification and removal of UXO (Unexploded Ordnance Disposal investigations), as well as offshore construction support services. NextGeo ended 2023 with a value of production amounting to €148.6 million and a net profit of €29.2 million.
